

# Frontiers in Lattice Quantum Field Theory

## Thursday 24 May 2018

### renormalisation (10:30-11:30)

time	[id] title	presenter
10:30	[3] Renormalization with the gradient flow: the case of the electric dipole moment	SHINDLER, Andrea

### renormalisation (15:00-16:00)

time	[id] title	presenter
15:00	[4] Power divergences and the gradient flow	MONAHAN, Chris

### renormalisation (16:00-18:00)

time	[id] title	presenter
16:00	[39] coffee & discussion: renormalisation	PENA, Carlos
