

Frontiers in Lattice Quantum Field Theory

Wednesday 30 May 2018

new developments (10:30-11:30)

time	[id] title	presenter
10:30	[18] Investigation of holographic cosmological models using lattice simulations	PORTELLI, Antonin

new developments (12:00-13:00)

time	[id] title	presenter
12:00	[19] Superstrings on the lattice	FORINI, Valentina

new developments (15:00-18:00)

time	[id] title	presenter
15:00	[26] Evidence for non perturbative fermion mass generation	DIMOPOULOS, Petros
16:00	[43] coffee & discussion: new developments	PORTELLI, Antonin
